SULSIT, Sofia – host university in 2011
Sofia, the Bulgarian capital city was born 7,000 years ago in the green embrace of the Vitosha Mountain. Sofia is a city that grows but never ages. Monuments to its rich Thracian, Roman, Bulgar and Ottoman history rub shoulders with modem-day edifices of cosmopolitan city life. Over 250 historic landmarks and architectural monuments blend in with the city's modern skyline.
University of Zagreb, Faculty of Humanities and Social Sciences – planning host institution 2012

Motto: “Advancement for Excellence”
Welcome to the Department of Information Management Website

Started as a graduate program in 1972, the Department offers both undergraduate and graduate degrees in Information Management since 1974. Equipped with expert teaching faculty and an up-to-date curriculum, the Department caters for contemporary education for future information professionals. The curriculum contains theoretical and practical courses in Information Management as well as courses on information technology and foreign languages. In addition, the Department contributes to the field by means of scientific publications and project reports on a wide variety of subjects.
