PUBLICATIONS

(a) Books

(a) Publications of Original Research

(c) Technical Notes

2. E. Alper, "Chemical reaction and effective interfacial areas in gas absorption". AIChE J. 26, 890 (1980).

(d) Articles in Trade Journals and Chapters in Technical Books:

5. P. V. Danckwerts and E. Alper, "Design of gas absorbers : Part 3. Laboratory "point" model of a packed-column absorber". pp. 139-145 in Insights into Chemical Eng. Science,

(e) Papers Presented at Conferences and Printed in Their Proceedings

11. E. Alper, "Effective interfacial area in the RTL contactor from rates of extraction with chemical reaction". ISEC’86 Proceedings (1986).
17. E. Alper, "Reaction kinetics of carbonyl sulphide with aqueous diglycolamine by the stopped flow technique", AIChE 1989 Spring Annual Meeting, Houston, USA.
