

KMU 402 – CHEMICAL ENGINEERING LABORATORY II

FINAL EXAM RULES

- The grade from the final exam affects the final grade for this course by 50%.
- The date and time of the final exam are Thursday, July 2, 2020 and 09.00-13.00.
- Exam duration is 4 hours.
- Name, surname, number, section and which question the solution belongs to must be written on each answer sheet. Documents without this information will not be evaluated.
- The answer for each question must be written on a separate paper, scanned, and e-mailed to hukmu402@gmail.com as individual PDF files.
- Copying answers from each other or from a source will be treated as violation of academic integrity and an act of cheating.
- The title of the document you will send must be: STUDENT NO - STUDENT NAME and SURNAME - EXPERIMENT NUMBER.
